

We're Lockton Affinity.  
We keep an eye on your business.

**SO YOU CAN FOCUS  
ON THE SHOT.**

We're excited to announce our partnership with NPPA to create the NPPA Insurance Advantage program to offer coverage specific to your industry and professional needs.

Visit us at [NPPAinsuranceAdvantage.com](http://NPPAinsuranceAdvantage.com)

### PHOTOGRAPHY EQUIPMENT INSURANCE

Up to \$100,000 in coverage and replacement cost value with a fixed \$250 deductible per loss.

**Protect** your camera, lenses, flash, computers, film and other valuables at your home, studio or on location

**Covers** you in the event of accidental breakage and/or theft

**Pays** replacement cost of scheduled items in the event of a claim

**Protects** equipment that is rented, borrowed or leased while in your care, anywhere in the world

### GENERAL LIABILITY INSURANCE

Benefit from affordable coverage in case something goes wrong on a shoot, including injury and property damage.

**Liability** arising out of bodily injury on or off premises as a result of your business activities

**Damage** to the property of others

**Real or alleged faults** in work completed by or for your business, resulting in bodily injury

**Personal or "advertising" injury** (libel, slander, invasion of privacy)
